

# WE'RE LOOKING FOR A FEW GOOD FRIENDS.

We need members to join our volunteer group who share the common attitudes, interests, and goals of building an Ortley Beach community that we can be proud to call home.

Now is the time to help shape what we want our community to be — friendly neighbors working together to enhance, protect and sustain the natural beauty and resources of our barrier island. And to celebrate the spirit of our hometown through cultural, artistic, and educational events.

If you share these considerations, please step up and join our nonprofit organization. Your reward will be having the satisfaction of creating a new and improved Ortley Beach!

Please contact us at [info@friendsofortleybeach.org](mailto:info@friendsofortleybeach.org)  
or by mail to Friends of Ortley Beach, PO Box 278 Lavallette, NJ 08753  
Dues are \$10.00 a year. Donations are welcome.
